

Goleniow, 5th August 2019

Dear Customer,

SERWACH Spolka z ograniczona odpowiedzialnoscia Spolka Komandytowa does not import and manufacture chemical agents and products which are subject to registration in accordance with the REACH regulation.

None of the products we supply you with or their packaging contain any substances that were published by the European Chemicals Agency (ECHA) in the updated Candidate List of SVHC (substances of very high concern) on 16th July 2019, or at least not above a concentration of 0.1% (w/w).

We are well aware of our legal obligation to inform immediately if the situation changes.

Yours faithfully

Katarzyna Janiszewska

Quality Manager
